The RIBOA Education Fund is established by the RIBOA Executive Board to offer educational opportunities for the membership to attend educational events and seminars. The Executive Board feels strongly that the membership should have opportunities to attend some of the many educational seminars that are offered despite funding limitations within their cities and towns.

Funding for these opportunities will come from the sale of code books and the proceeds realized from the Annual Education Fair. The fund is established as a savings account. All monies realized from the sale of code books per RIBOA's agreement with NASCLA and 100 percent of the proceeds from the Education Fair will be deposited into this account.

The initial fund balance is set at approximately \$12,000.00 from code book sales to date and from a portion of the funds realized per the Building Code Commission's agreement with RIBOA and the EPA regarding lead reporting on the building permit application form.

The Executive Board will receive requests from members to attend the various seminars. The membership will consider and vote on all requests however the following conditions must be met for consideration:

- Members must be in good financial standing.
- Members must have been appointed to and serve on a RIBOA committee for a minimum of 6 months prior to the request.
- Members must have documented attendance at a minimum of 7 meetings (regular and committee) sponsored by RIBOA within the previous 12 months prior to the request.
- Members whose employer pays for 100% of the costs for their attendance at these seminars are not eligible.

Interested members must submit a written request in a letter containing the following information until an appropriate form is developed and available:

- Name and contact information
- Employer information
- Committee service information including date appointed and length of service.
- Dates of meeting attendance.
- Seminar/event information with location and date.
- Amount of funds requested.
- Any other appropriate information.

All requests will be received by the Executive Board and placed on a future meeting agenda for consideration by the full membership.
